

# World Missions Catalog

## Winter 2025

“Hear the word, accept it, and bear fruit...”

Mark 4:20

Welcome to the Evangelical and Reformed Synod's World Missions Holiday Catalog. We're glad you're here! As the Bishop for World Missions, I am filled with joy to bring the Word of the Lord to others.

This year a small group and myself got the incredible opportunity to travel to Kenya, Uganda, and Tanzania meeting the people, visiting congregations, schools, and orphanages. When I tell you that God moved in powerful ways, I mean it. Every day we were in Africa, all twelve of them, we saw the face of God- His light, His presence, His joy. We got to be on the ground along with church's and worship with them, fellowship with them, and love with them.

While the journey left us feeling blessed beyond what we imagined, it also left us longing to do more. We saw the needs first hand. I was able to give shoes to a four year old girl who had never worn her own pair. We gave blankets to children who share a pallet on the ground for a bed.

This catalog was compiled based on the needs of each congregation around the world. I hope that you too will see the joy that this work brings me and that you will share it with those around you.

Go in peace,  
Rev. J.T. Brantley, E&R Synod Missionary Bishop

## Education- \$50 or \$100

(WMED001- WMED002)

Provide education for a child for only \$50 a term, or \$100 for a year. Education provides children with the tools they need for the future. In Uganda, a recently built school currently has around 100 children enrolled that previously had little access to education.

## School Supplies \$25

(WMED003)

In Pakistan, Son of God Christian School, provides education and meals to local children while their parents work. New supplies are rarely bought since most resources are used to feed the students.

## Teacher's Salary - \$90

(WMED024)

Education access in Uganda can be expensive, and often children are unable to afford the tuition. The Davey Boger School was built in 2025 and provides affordable education to the local village. Assisting with a monthly teacher salary ensures that their education continues. "Train a child in the way he should go; and when he is old, he will not depart from it."

Proverbs 22:6

## Pastoral Training \$100

(WMED004)

As 2 Timothy says “faithful men who will be able to teach others also” are critical to the Church.

Pastors lead services, provide support for their congregations, and are the feet of Jesus.

Providing proper training to these men ensures they have knowledge of the Bible and are able to lead effectively.

## Help a build a Church \$10-1,000

(WMCH005-010)

Many congregations in Burundi, Tanzania, and Congo worship in open or shared spaces. Sending funds to help build a church can secure land, materials, and labor.

## Pastor's Monthly Salary \$50

(WMCH013)

Rev. Nicholas Mulero was delighted to know he could minister full time with salary support. When you provide a monthly salary, these ministers can focus on what really matters, tending to their congregations without having to worry about their financial stability.

## Buy a Motorcycle- \$750

(WMOP023)

In parts of rural Africa, road conditions and economic instability makes it difficult for pastor's to care for their flocks. Boda bodas are small motorcycles that easily and quickly navigate difficult road conditions. Bishop Bamuwamyé uses his daily to visit the people in his care across Uganda.

# Meet Eddy Nakalala

Rev. Eddy Nakalala serves as the president of the Congo Classis of the E&R Synod. He and his wife Neema, live in Uvira, Democratic Republic of Congo with their six children. He studied at Lutheran Theological Seminary in Tshwane, South Africa. He was ordained three years ago after serving a two-year vicarage and many years as a lay pastor. At this time, he serves two congregations across the country. He speaks ten languages including Swahili, French, and English.

Nakalala was the first pastor and the driving force behind the organization of the Congo Classis which currently has more than 25 congregations. He is grateful for the encouragement of the E&R Synod and looks forward to seeing what things that God accomplishes.

## Orphanage Support \$100

(WMOP012)

Dennis and his father help take care of twelve children. There are three rooms in the orphanage. One for boys to sleep, one for girls to sleep, and one for them to learn. Each day they are served communal meals and have class in the orphanage since access to formal education is limited. It is difficult to feed and clothe each of these children, however Dennis reminds us “There’s nothing quite like the smiles of children! Their joy reminds us daily that caring is a gift and that growth happens best in an environment filled with love, laughter, and hope.”

## Give a Bible- \$20

(WMCH013)

Isaiah 40, verse 8 says “the Word of our God endures forever.” Sharing the Word of the Lord is an eternal gift. Providing bibles, especially in native languages, allows that gift to be accessible to all.

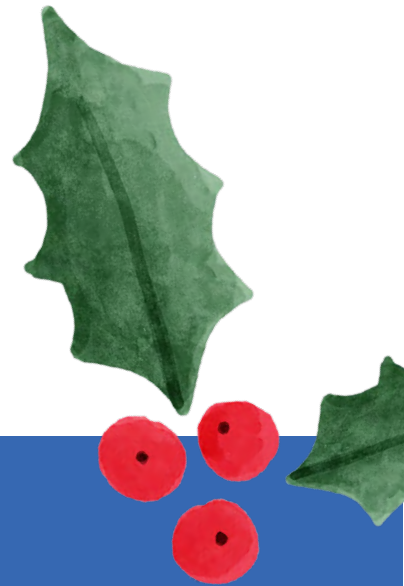

## Ship Supplies \$125

(WMOP14)

Throughout the year, supplies are sent across the world. Clothes, school supplies, bibles, and church supplies need to be sent to countries where these items can be difficult to find.

## Where Most Needed - Any Amount

(WMGF021)

Give a gift to the E&R Missions and we will use the funds where they are most needed. These funds support ministry, education, buildings, supplies, and more.

Currently we support:

## Feed a Child \$25

(WMOP015)

Food insecurity is felt throughout the world. For just \$25, you can help feed a child for a month. For some, the food they receive in school or church may be the only meal they receive all day.

## Dig a Well \$5,000

(WMOP016)

Just as the Water of Life brings everlasting joy, access to clean drinking water is life changing. Villages in remote locations do not always have access to safe water, with a local well their quality of life is increased and they are able to have access to one of life's most basic necessities.
